

# Legacy Funds

Currently there are four Memorial Funds established to cherish those who have passed and left behind a legacy of compassion for the Haitian people.

These four individuals, through the generosity of their friends and family, as well as other donors, continue to support the nine-village cooperative in which the Haiti Plunge serves.

---

The Will Morrisette School Sponsorship Fund supports several, unsponsored children. Each year, their tuition, books, uniform is provided through this scholarship. AJ, Will's loving brother, has chosen children for this program. The annual cost for each child is \$100 per year for 9 years. Will Morrisette knew that an education gifted to these children will also gift them the opportunity to better their lives. This scholarship recognizes his love of the innocence that he saw in Haiti. All donations to this fund address the annual costs for the education of these children. WMS

The Peg Downing Scholarship is designed by Peg and Sister Eunice. This scholarship is offered to a young woman from the nine-village cooperative who has successfully completed her secondary education and has the grades and ability to pursue a higher education. This scholarship is for four years to cover tuition, books and a stipend towards housing. The scholarship winner must maintain a 3.4 average to maintain the award. The first recipient, Mimi Jean, is attending nursing school in Port-au-Prince. All donations to this scholarship will directly benefit the awardee for the purpose of higher education and training to benefit the villages. PDS

The Eileen O'Grady Women's Fund is a program that Eileen was interested in being active with. The UN and many economists have proven that investing in women owned businesses in impoverished nations have had clear impact on the growth and health of local economies. It is through this information that the Eileen O'Grady Women's Fund will address the economic strife in the nine-village co-op. All donations for this fund will go directly into women owned businesses through loans and education program. EOWF

The Devlin Women's Center honors the life and compassion of Eleanor Devlin. The center will allow women to utilize a covered space for a micro-business, a place to learn reading, math and other skills. The center will also be a place for the HPI to store sewing machines for the women to use. This will be one of the few buildings in the region to have solar power, so it will also serve as a community center. All donations to the Devlin Women's Center will be used for the building and maintenance of the center, as well as future education classes. DWC

If you would like to make a donation to one of these legacy funds, please submit a check to The Haiti Plunge, PO Box 376, Adams, MA 01220. In the memo line, please identify which fund you have chosen with the letters following the description. If you would like to make the donation electronically, please use the donate button and send us an email identifying the legacy of your choice to [thehaitiplunge@gmail.com](mailto:thehaitiplunge@gmail.com)
