College and High School Students:

Are your parents supportive of your decision to participate in the Haiti Plunge? Yes No

Before responding to this part of the application, you should take some time to look at the HPI website, so you have an understanding of the organization and its projects. In 500 words share your own reasons for desiring a cross-cultural total immersion experience in Haiti, a developing country. Be sure to include answers to the following questions: How did you hear about the Haiti Plunge Program? What do you hope to gain from this experience? What do you have to offer this experience? Who helped you to make this decision? How will you share this experience with others upon your return?

(This should be typed, double spaced on a separate piece of paper)

The cost of this trip is \$1700.00. All students must *raise* this money through a sponsorship program set up by the Haiti Plunge. Once your application has been processed, you will receive notification for an interview with a member of the HPI staff.

Interested adults can call the HPI at (413) 346-3241 or (413) 441-6216. Adult participants follow a different protocol.

CONTRIBUTIONS MUST BE RECEIVED BY THE DESIGNATED DATE ON YOUR FUNDRAISING PACKET.

In the event that these financial goals are not met within the established time frame, participants will be automatically withdrawn from the team. The contributions made in the participant's name will remain in escrow account for 12 months. Participants will be given the option to select another team within a 12 month period.
